

SKYi rewards

“spread the word”

SKYi has defined the very essence of fine living in Maharashtra. Our consistent successes in the past decade have displayed our commitment towards quality construction, passionate building and most importantly, customer satisfaction.

The thoughtful design of our properties comes from the belief of creating a home for a family. We have built over 1 million square feet of developed homes that house over 1,500 families and over 5 million square feet of proposed area is currently under development.

Our principles and distinguished past have led to the commencement of the referral program. A program designed to benefit an individual who facilitates a sale on behalf of SKYi.

What is SKYi referral program?

SKYi referral program is an initiative to appreciate people's efforts of referring customers to SKYi properties. People who refer customers and generate sales are rewarded accordingly.

Who is eligible?

All you have to do is introduce Skyi Properties to your friends and family. Each introduction, which results in a booking, will entitle you to a reward that will be in proportion to the sale value of the property. You refer, you get rewarded.
